COMNAVREGSW INSTRUCTION 5810.1A

From: Commander, Navy Region Southwest

Subj: SUBMISSION OF RECOMMENDATION FOR TRIAL BY GENERAL  
COURT-MARTIAL

Ref: (a) JAGINST 5800.7D, Manual of the Judge Advocate General  
(JAGMAN)  
(b) COMNAVREGSWINST 5400.2, SOPA San Diego Regulations  
(c) Uniform Code of Military Justice  
(d) Manual for Courts-Martial

Encl: (1) Accused's Data Sheet  
(2) Investigating Officer's Report (DD Form 457)  
(3) Charge Sheet (DD Form 458)

1. Purpose. To provide procedures for the submission of recommendations for trial by general court-martial (GCM) to Commander, Navy Region Southwest (CNRSW). Strict adherence to these procedures will minimize delay and promote the expeditious processing of such recommendations.

2. Cancellation. COMNAVREGSWINST 5810.1.

3. Procedures. Section 0128 of reference (a) authorizes forwarding of recommendations of charges to be referred for trial by GCM, in the absence of specific direction to the contrary from competent authority, to the nearest regional coordinator exercising GCM jurisdiction. In the San Diego area, CNRSW, as regional coordinator, currently convenes all GCMs in response to requests from area Naval activities as set forth in reference (b).

a. Before forwarding a recommendation that a charge or specification be referred to GCM for trial, the requesting activity shall conduct a thorough and impartial Article 32 investigation of all the matters set forth in such charge or specification. The pretrial investigation shall be conducted in compliance with Article 32 of reference (c) and R.C.M. 405 of

31 OCT 2005

reference (d). The investigating officer shall use enclosure (2), DD Form 457, in making a written report of the investigation.

b. A recommendation to refer charges to GCM for trial may be forwarded without conducting an Article 32 investigation provided the accused has agreed, in writing, to waive the right to an Article 32 investigation. The accused's signed, written waiver of the Article 32 investigation with respect to investigation of such charge or specification must be included as an enclosure to the recommendation.

c. In view of the protracted nature and costs of a GCM, all recommendations shall be signed by the commanding officer or by an appropriate flag officer in command.

d. When an accused is ordered into arrest or confinement, commands shall ensure that there is strict compliance with the provisions of Articles 10<sup>1</sup> and 33<sup>2</sup> of reference (c). Strict compliance with Articles 10 and 33 of reference (c) will protect an accused's right to a speedy trial and the command and societal interest in the prompt administration of justice.

e. To provide background information in the event a "speedy trial" issue is later raised, all recommendations should be accompanied by written explanation of any delay in excess of three days between any of the following consecutive steps:

(1) In cases involving unauthorized absence, the date of the accused's return to naval jurisdiction and the date the service record was received with information necessary for making service record entries. This should be supported with copies of correspondence, including message traffic.

(2) The date, after being ordered into arrest, restriction or confinement, the accused was informed of the charges against him pursuant to Article 10 of reference (c).

---

<sup>1</sup> Article 10, UCMJ, in relevant part, states: "When any person subject to this chapter is placed in arrest or confinement prior to trial, immediate steps shall be taken to inform him of the specific wrong of which he is accused and to try him or to dismiss the charges and release him."

<sup>2</sup> Article 33, UCMJ, states: "When a person is held for trial by general court-martial the commanding officer shall, within eight days after the accused is ordered into arrest or confinement, if practicable, forward the charges, together with the Investigation and allied papers, to the officer exercising general court-martial jurisdiction. If that is not practicable, he shall report in writing to that officer the reasons for delay."

31 OCT 2005

(3) The date the pretrial investigation was ordered.

(4) The date the investigation was commenced.

(5) The date the investigation was completed.

(6) The date the report of investigation with recommendation for trial by GCM was forwarded to CNRSW.

f. Information shall be provided regarding the nature and duration of any pretrial restraint imposed.

4. Witnesses. When forwarding requests for witness to CNRSW, R.C.M. 703(e) (1) and (2) of reference (d) will control. A minimum of five working days should be allowed for the processing of such requests and the allocation of required funding. Complete information as to the location and availability of all witnesses, whether military or civilian, shall be provided. No witnesses or accused shall be transferred beyond the jurisdiction of CNRSW or be granted a leave of absence unless and until clearance is first obtained from CNRSW via the NRSW, Staff Judge Advocate. The NRSW, SJA can be contacted at DSN: 522-1418 or COM: (619) 532-1418.

5. Contents of Forwarding Letter of Transmittal. Consistent with R.C.M. 401(c)(2)(A) of reference (d) and its discussion, recommendations shall include:

a. A completed accused data sheet (enclosure (1)).

b. A summary of the available evidence relating to each offense.

c. Evidence of previous convictions and nonjudicial punishments of the accused.

d. An indication the accused has been offered and refused nonjudicial punishment, if applicable.

e. Any other matters required by superior authority or deemed appropriate by the forwarding commander.

6. Forwarding recommendations. Unless otherwise directed, all recommendations shall be submitted to: Commander, Navy Region Southwest (Code N05HR), San Diego, California 92132-0058, and shall include the following for each accused:

31 OCT 2005

- a. Original and five copies of Article 32 proceedings with all exhibits.
- b. Original and five copies of DD Form 457 (Investigating Officer's Report) (enclosure (2)).
- c. Original and five copies of DD Form 458 (Charge Sheet) (enclosure (3)).
- d. Original and five copies of the command's forwarding letter.
- e. Original service record of the accused.

The original and all copies of the recommendation for GCM shall be forwarded as separate and distinct sets. Each set is to be adequately fastened and is to contain the Article 32 proceedings, exhibits, DD Form 457, DD Form 458, and related correspondence in legible form. DD Forms may be found at [www.dtic.mil/whs/directives/infomgt/forms/formsprogram.htm](http://www.dtic.mil/whs/directives/infomgt/forms/formsprogram.htm).

7. Funding. Per section 0146 of reference (a), commands are responsible for the cost associated with pretrial matters.
